

M.E. Singleton Scholarship recipients

The trustees of the M.E. Singleton Scholarship Trust have announced that they have awarded 27 scholarships to high school seniors in communities served by Citizens National Bank of Texas, the administrator of the trust.

Applicants were interviewed, with scholarships being granted on a basis of financial need, the determination to excel in college and the ability to attain a degree within four years. Through 2010, the M.E. Singleton Scholarship Trust has bestowed 570 scholarships and recipients are enrolled in various colleges and universities throughout the United States.

"Since 1952, the M.E. Singleton Scholarship Trust has assisted students, a number of whom could not afford a college education, to earn de-

grees and make a contribution in medicine, law, education, finance and numerous other fields. Many have returned to their roots in Ellis County and made a difference," said Mark Singleton, president and CEO of Citizens National Bank of Texas. "The scholarships have not only helped 570 seniors seeking a college education over the past 58 years, they have made all of our lives better because what was gained by those students is being returned to us every day."

In 1930, Colonel Marvin E. Singleton became chairman of the board of Citizens National Bank in Waxahachie. To honor their father, the children of Colonel Singleton established the M.E. Singleton Scholarship Trust in 1952. In 1996, the Shannon Elizabeth Singleton Memorial

Scholarship was established in remembrance of the great-granddaughter of Colonel Singleton.

"Beginning in the early 1900s, my great-grandfather instilled in all people associated with the bank that a hometown bank must give back to the communities it serves. Today, we have more than 200 working with CNB of Texas that contribute over 15,000 volunteer hours every year, primarily in youth and education programs. The scholarship and dedication to community service are legacies that have a long tradition," Singleton said.

For additional information about the scholarship program, visit online at www.singleton-scholarship.org.

Jessica Baires

Jessica Baires is the daughter of Teodoro and Raquel Baires. She graduated from Kaufman High School and will attend Stephen F. Austin University, where she will study accounting.

Baires

While at KHS, Baires was in the top 15 percent of her class, a member of National Honor Society and a member of Distributive Education Clubs of America.
